

IMPORTANT INFORMATION FROM SONOMA FORGE

LIMITED WARRANTY

Sonoma Forge products are hand-made in the USA, not mass produced. Each faucet is unique and individual and may vary in dimension from one item to another.

Sonoma Forge warrants the quality of its product to be free of manufacturer's defects in material and workmanship.

Finishes may also vary and change over time, the degree to which depends on the finish. Some finishes are more sensitive than others and may patina over time. This is considered natural, adding to its character.

This warranty is limited to manufacturer's defects for one year from date of purchase. Labor charges and/or damages incurred in installation, repair, removal, or replacement, are not covered. Items used in exterior applications are not warranted.
