

SONOMA FORGE

DESIGNER FAUCETS

Like Nothing Else in the Showroom

We are pleased to send you product information that you requested, highlighting Sonoma Forge's unique line of hand-made copper & brass fixtures and matching accessories.

Proudly "Made in the USA", Sonoma Forge makes beautiful faucets in distinctive designs - some with "living" finishes (meaning they will patina over time) giving your home or commercial project additional character.

Additional product photos may be viewed on our website, www.sonomaforge.com as well as our social media sites. The website is also your best resource for up-to-date specifications & installation guides for our fixtures.

For availability and pricing, we encourage you to visit one of our authorized dealer's showrooms servicing the luxury kitchen & bath market throughout the U.S. For the location nearest you, please visit: www.sonomaforge.com/designer-faucet-dealers.html

For current list prices and model numbers visit:
